## Burning Up

Tabbed by Iliana & jonsey44

Madonna, 1982

Live version from Re-Invention Tour

**B** **D** **E/B**  
Don't put me off 'cause I'm on fire  
**B** **D** **A**  
And I can't quench my desire  
**B** **D** **E/B**  
Don't you know that I'm burning up for your love  
**B** **D** **A**  
You're not convinced that that is enough

**B** **D** **E/B**  
I put myself in this position  
**B** **D** **A**  
And I deserve the imposition  
**B** **D** **E/B**  
But you don't even know I'm alive  
**B** **D** **A**  
And this pounding in my heart just won't die  
**B**  
I'm burning up

[Chorus:]  
**G** **D** **E**  
I'm burning up, burning up for your love [x3]  
**F**  
For your love

You're always closing your door  
Well that only makes me want you more  
And day and night I cry for your love  
You're not convinced that that is enough  
To justify my wanting you  
Now tell me what you want me to do  
I'm not blind and I know  
That you want to want me but you can't let go  
Come on, let go

[Chorus]

[Intermediate:]

**B**                                    **D**    **E/B**  
Do you wanna see me down on my knees?  
          **B**                                    **D**                                    **A**  
Or bending over backwards now would you be pleased?  
**B**                                    **D**    **E/B**  
Unlike the others I'd do anything  
**F#**  
I'm not the same, I have no shame  
          **A**    **B**  
I'm on fire

(during Monte Pittman's solo repeat **B-D-E/B**, **B-D-A** and **G-D-E**)

(guitar pause)  
Do you wanna see me down on my knees?  
Or bending over backwards now would you be pleased?  
Unlike the others I'd do anything  
          **G**                                    **F#**  
I'm not the same, I have no shame

[Chorus]

**G**                                    **D**    **E**  
You know you got me burning up, baby (Burning up for your love)  
**G**                                    **D**    **E**  
You know you got me burning up, baby (Burning up for your love)  
**G**                                    **D**    **E**  
Burning up for your love (Burning up for your love)  
**G**                                    **D**    **E**  
Burning up for your love (Burning up for your love)  
**F#**  
For your love
