**"Masterpiece"**

Tabbed by Iliana

OST W.E. & MDNA

Written by Madonna, Julie Frost, Jimmy Harry

**Capo 1**

[Verse 1:]

**Dm**                            **Gm**  
If you were the Mona Lisa  
**C**                                    **F**  
You'd be hanging in the Louvre  
**Dm**                                   **Gm**  
Everyone would come to see you  
**C**                                    **F**  
You'd be impossible to move

[Bridge 1:]

**Dm**            **Gm**            **C**  
It seems to me is what you are  
                                 **F**            **Dm**  
A rare and priceless work of art  
                                 **Gm**            **C**  
Stay behind your velvet rope  
                                 **A**  
But I will not renounce all hope

[Chorus:]

**Bb**                                    **F**  
And I'm right by your side  
   **C**  
Like a thief in the night  
   **Dm**  
I stand in front of a masterpiece  
**Bb**                                    **F**  
And I can't tell you why  
   **C**  
It hurts so much  
   **Dm**  
To be in love with the masterpiece  
**Bb**                                    **A**  
'Cause after all  
   **(Dm)**  
Nothing's indestructible

[Verse 2:]

**(Dm)**                                    **Gm**  
From the moment I first saw you

**C** **F**  
All the darkness turned to light  
**Dm** **Gm**  
An impressionistic painting  
**C** **F**  
Tiny particles of light

*[same chords as Bridge 1]*  
It seem to me is what you're like  
The "look but please don't touch me" type  
And honestly it can't be fun  
To always be the chosen one

**[repeat chorus]**

**C**  
Nothing's indestructible  
**Dm**  
Nothing's indestructible  
**C**  
Nothing's indestructible

And I'm right by your side  
Like a thief in the night  
I stand in front of a masterpiece  
And I can't tell you why  
It hurts so much  
To be in love with a masterpiece

And I'm right by your side  
Like a thief in the night  
I stand in front of a masterpiece  
And I can't tell you why  
It hurts so much  
To be in love with a masterpiece  
'Cause after all  
Nothing's indestructible  
'Cause after all  
Nothing's indestructible
