**"Turn Up The Radio"**

Tabbed by Iliana

MDNA, 2012

Written by Madonna, Martin Solveig,  
Michael Tordjman, Jade Williams

[Verse 1:]

**D** **Cadd9**  
When the world starts to get you down  
**Am**  
And nothing seems to go your way  
**G**  
And the noise of the maddening crowd  
**D**  
Makes you feel like you're going to go insane

**D** **Cadd9**  
There's a glow of a distant light  
**Am**  
Calling you to come outside  
**G**  
To feel the wind on your face and your skin  
**D**  
And it's here I begin my story

[Chorus:]

**D**  
Turn up the radio  
**D**  
Turn up the radio  
**Cadd9**  
Don't ask me where I wanna go  
We gotta turn up the radio

[Verse 2:]

**D**  
It was time that I opened my eyes  
**D**  
I'm leaving the past behind  
**Cadd9**  
Nothing's ever what it seems  
**D**  
Including this time and this crazy scene  
**D**  
I'm stuck like a moth to a flame  
**D**  
I'm so tired of playing this game

**Cadd9**

I don't know how I got to this state  
Let me out of my cage cause I'm dying

[Chorus x2]

[Bridge:]

**Cadd9**

I just wanna get in my car  
I wanna go fast and I gotta go far  
Don't ask me to explain how I feel  
'Cause I don't want to say where I'm going

**D**

Turn down the noise and turn up the volume  
Don't have a choice cause the temperatures pounding

**Am**

Leaving this place is the last thing I do

**G**

That I want to escape with a person just like you

**D**

I'm stuck like a moth to a flame  
I'm so sick and tired of playing this game

**Am**

We gotta have fun it it's all that we do

**G**

Gotta shake up the system and break all the rules  
Gotta turn up the radio until the speakers blow

[Chorus]

*Notes:*

If you're playing with an electric guitar, use the clean channel for the 1<sup>st</sup> verse and the bridge. For the chorus and the 2<sup>nd</sup> verse you can use a distorted channel. Play with power chords the 2<sup>nd</sup> verse.

**Chords Used in this cover:**

**D (xx0232)**

**Cadd9 (x32030)**

**Am (x02210)**

**G (320003)**
